

BOBBY-CURVE LED Mounting Profile

Description

Introducing the BOBBY-CURVE LED mounting profile system. The BOBBY-CURVE is specifically designed for the Domus range of LED strip lighting. This aluminium mounting profile system incorporated extruded profile complete with a curved opal colour PMMA diffuser. The key features of the BOBBY-CURVE is the ability to not only conceal the LED strip lighting but also keep the strip lighting linear. Also, the BOBBY-CURVE keeps LEDs free from foreign objects and vapours which may damage the LEDs. The finishing of this product is a perfect complement to any area where discrete lighting is required. Applications include lounge rooms, dining areas, bathrooms, storage areas, shelving or any other architectural application.
