

## HALO-12 LED Wall Light

### Description

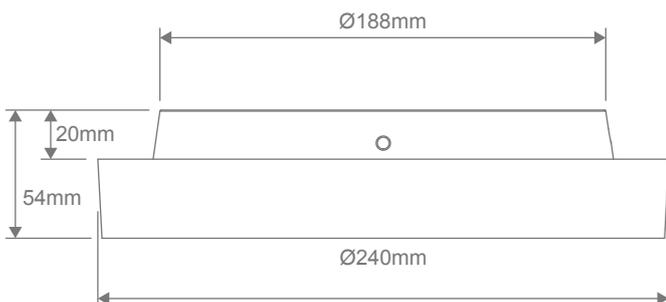

The HALO Series Wall Light is a stylish and slimline round designed wall light that offers an attractive halo of light, indirectly lighting up exterior walls through the side of the fitting, completely reducing front glare. Bright light output 12W offers ample ambient light to illuminate the surroundings. Available in Warm White 3000K or White 5000K colour temperature options, as well as a choice of white or black front fascia colours. Robust in design and construction with an IK08 rating, and an IP65 polycarbonate construction to be able to withstand the harsh coastal climate. Backed by a 3 Year Replacement Warranty.
