DIMENSIONS

Aust/NZ Approval No. SAA-202759-EA

33W DC 1320MM (52") 3 ABS BLADE CEILING FAN WITH 15W TRICOLOUR LED LIGHT AND 5 SPEED REMOTE CONTROL AND TIMER

FEATURES

- Latest technology energy efficient brushless quiet 33W DC motor
- Robust industrial designed fan
- Durable metal body and canopy construction with 3 ABS blades that will not rust, corrode or fade
- 3 precision moulded, pre balanced aero dynamic blades with 20° blade pitch for maximum air movement performance
- High quality 15W tricolour LED light, with 3 stage step dimming function, with switchable colour temperatures 3000K- 1450lm, 4000K-1600lm, 5000K-1650lm
- 3 step dimmable LED light mode
- 5 speed DC remote control with up to 8 hour timer, with light off/on function (battery included)
- Reversible function conveniently located on the remote for summer winter operation
- Hangsure angle canopy up to 15° maximum ceiling rake pitch
- Quick connect wiring and fittings for easy installation
- Suitable for indoor and covered outdoor applications
- 6 year warranty (3 year in-home + additional 3 years on the motor only)

INSTALLATION

Installation	By licensed electrician only
Warranty	6 year warranty (3 year in-home + additional 3 years on the motor only)

*For further information regarding warranty terms and conditions, please refer to enclosed warranty statement. Warranty is void unless installed by a licensed electrician.

SPECIFICATIONS

Model name	Malibu
Model numbers	MMF1333MBR Matt Black/Bamboo MMF1333MMR Matt Black MMF1333OWR Old Bronze/Walnut MMF1333WWR White Satin
Power (wattage)	33W
Motor	DC
Voltage	220-240V/50Hz
Blade/fan material	ABS/Metal
Control	Complete with DC remote control with 5 speed fan setting, including up to 8 hour fan timer, with summer winter reverse function and light off/on (battery included)
Installation location	Suitable for indoor and covered outdoor installation
Fan diameter	1320mm (52")
Height of fan	307mm
Number of blades	3
Blade degree pitch	20°
Summer winter mode	Yes
Hangsure canopy	15° maximum ceiling pitch
Air movement m³/hr	10,200m³/hr
Light type	LED
Light wattage	15W
Tricolour/lumens	3000K-1450lm, 4000K-1600lm, 5000K-1650lm
CRI	≥80
Beam angle	160°
Dimmable	3 stage step dimming function
Rated LED lamp life	35,000 hours

SHIPPING

Packaging size	L716mm x H246mm x D295mm
Gross weight	7.70kg
Net weight	6.90kg
Cubics per carton	0.052CBM
