

26

A modern, illuminated house number sign is mounted on a textured, light-colored wall. The sign is rectangular with a silver frame and a white center. The number '26' is displayed in a large, bold, black font. Above the number is a rectangular solar panel with a blue surface and a white grid pattern. The sign is illuminated from below, casting a soft glow. In the background, a dark blue door is visible on the left, and a small green plant is on the right.
