SKY OY48.SMRT-WH 9329501057209

The Sky 48 oyster offers a sleek, modern look for your living space. This LED energy-efficient ceiling light fixture comes in an ultra-thin flush mount frame, making it a perfect fit for low ceilings. The color temperature of the light and full dimming control is now included thru WIFI and the TUYA app, so all preset functions can be commanded via mobile phone or smart home operations. The white acrylic diffuser softens and scatters the throw of light, and a white or black frame adds a clean, contemporary touch. Perfect for all areas of the home.
