

Delta DC

Powerful and efficient DC ceiling fan crafted from all-weather polymer

56 INCH
142 CM

40 WATTS
ON HIGH

225 RPMs
ON HIGH

MODERN AND SLEEK DESIGN

Ultra slim and ultra sleek modern design crafted from all-weather polymer for a long-lasting and weather-resistant cooling solution.

HIGH PERFORMANCE COOLING

Carefully engineered with a high performance motor and aerodynamic polymer blades, the Delta provides exceptional airflow and cooling.

ALL-WEATHER POLYMER DESIGN

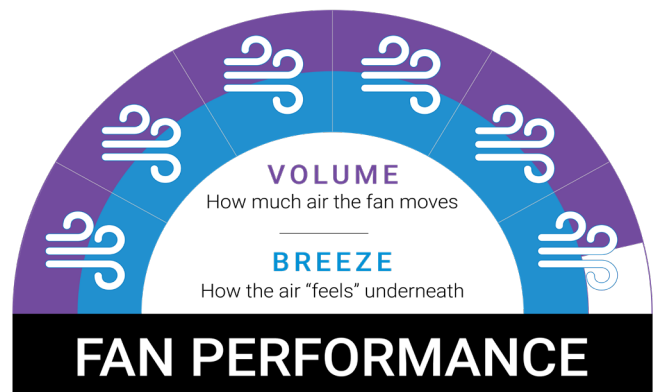

Both the motor cover and blades have been carefully crafted from polymer (a high-grade plastic) to better resist the elements, while the blades are easy to clean as well as being safer and quieter than metal blades.

DC MOTOR TECHNOLOGY

The high performance DC motor takes energy efficiency to the extreme, using only 40W on high and as little as 6W on low so you stay cool for less.

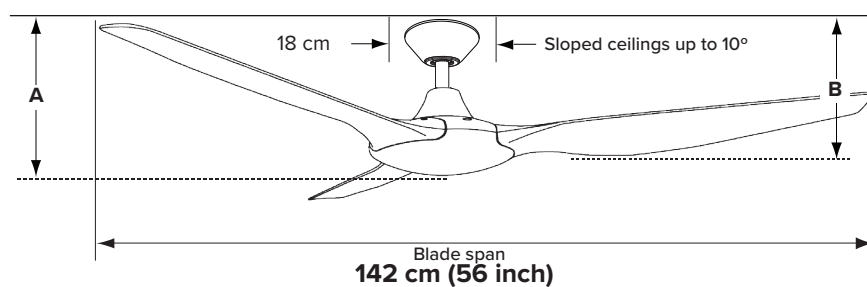

INDOOR & OUTDOOR COOLING

The all-weather polymer construction of the Delta DC ceiling fan makes it ideal for both indoor and outdoor cooling. So you can maintain your decor style from your living room through to your alfresco dining area.

Fan Speed (H:6/M:3/L:1) (Revolutions Per Minute)	225 / 170 / 90 RPM
Energy usage (H:6/M:3/L:1) (Watts)	40 W / 18 W / 6 W
Airflow volume (H:6/M:3/L:1) (Cubic metres per hour)	13,934 / 10,527 / 5,573 CMH
Efficiency (H:6/M:3/L:1) (CMH / W)	348 / 585 / 929 CMH / W

The Fan Performance Indicator is a guide to show customer's how much air the fan moves as well as how the airflow "feels" when you stand underneath. This is a guide only. Refer to our website for more information.

DEL56BK

Delta DC 56" (142cm) Black motor with Black polymer blades

DEL56MW

Delta DC 56" (142cm) Matte White motor with Matte White polymer blades

DEL56OB

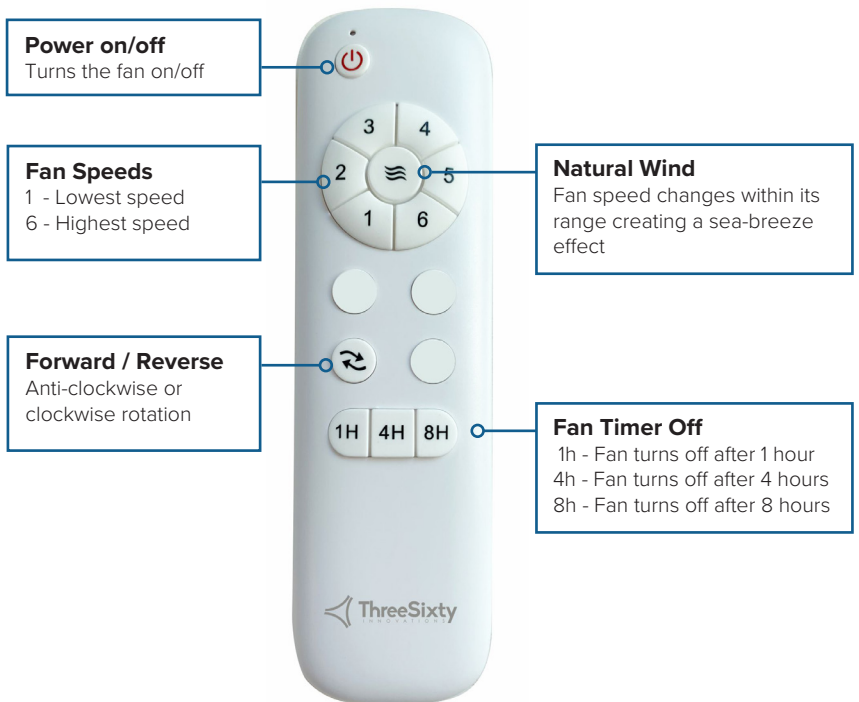

Delta DC 56" (142cm) Oil-rubbed Bronze motor with Koa polymer blades

Remote Control

The Delta DC ceiling fan includes a stylish 6 speed remote control as standard. The receiver control module has been rated for 255V usage for increased durability and reliability to better handle real-world Australian grid voltage fluctuations.

- Enjoy 6 speed settings for your ceiling fan
- Forward and reverse function for year-round comfort
- Convenient fan off timer function built in

Blank buttons: These buttons will be utilised in a future iteration of the Delta DC ceiling fan.

Downrods

	90 cm (36")	180 cm (72")
Black	DRL-36BL	DRL-72BL
Matte White	DRL-36MW	DRL-72MW
Oil-rubbed Bronze	DRL-36OB	DRL-72OB
