

101 Series Downlight

VBL-101GM-15-3K

Vibe's Gimbal LED cabinet lights feature a sleek modern design and unobtrusive face plate ensuring they won't distract, but will instead work to enhance your display. As LED's produce very little heat, this is a must for the protection of your sensitive or precious displayed items. Dimmable on most domestic or commercial lighting systems with the appropriate driver. These lights utilise energy efficient LEDs to lower running costs and lengthen lifespan to 50,000 hours.
