

## LED RECHARGEABLE HEAD TORCH WITH RED AND WHITE

### **VLHT-1070-7K**

The VIBE LED Rechargeable Headlight with Sensor is the perfect companion for your outdoor activities. This powerful and reliable headlight features a 7000K colour temperature and 350 lumens of maximum output, ensuring that you always have clear and bright visibility. The headlight also features a sensor that automatically turns the light on and off, making it a convenient and efficient option. With a battery life of up to 4 hours, this headlight is perfect for long hikes or camping trips. The headlight is rated IP33, meaning it's protected against dust and water sprays, making it ideal for use in all kinds of weather conditions. Whether you're hiking, camping, or working in low-light conditions, the VIBE LED Headlight with Sensor is the perfect choice for a reliable and powerful source of light.

### **Features & Benefits**

Rechargeable battery provides up to 4 hours of battery life  
Bright 7000K 350LM maximum light output IP33 suitable for all weather conditions
